TC 1700

This Supplemental Amendment is being filed in order to correct an inadvertent error in the claims of the Amendment filed previously on July 15, 2002. Please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

1. (Twice Amended) A polymeric fluorescent substance which emits a fluorescence in solid state and having a number-average molecular weight of 10^3 to 10^8 in terms of polystyrene, wherein the substance contains one or more of repeating units represented by the following formula (1) and formula (3), and these repeating units are so selected as to satisfy the following conditions (a) to (c):
